IPTV World Forum to open in March

Feb 28, 2006 3:02 PM

The IPTV World Forum opens next month in London with a major focus on IPTV service deployment issues, the thoughts of content providers and broadcasters on IPTV as a distribution platform, and an IPTV showcase area featuring 10 IPTV deployments from around the world.

Among the speakers at the March 6-8 forum are Simon Spanswick, chief executive of the Association for International Broadcasting; Chris Coles, president/CEO of Myrio, A Siemens Company; Andrew Burke, chief executive officer of BT Entertainment; and Mark Gray, chairman and president of Kasenna.

More than 1000 people are expected to attend.

For more information, visit www.iptv-forum.com.
